Please accept my deepest thanks for the very lovely silver candelabrum that you left at Blair House for me. I will treasure it as a symbol of the warm and lasting friendship between our two countries.

It was my great pleasure to have met with you during your visit here in October. I found our discussions very stimulating and useful, and hope that we will have an opportunity to meet again in the future.

Best wishes to you and your family.

Sincerely,

  
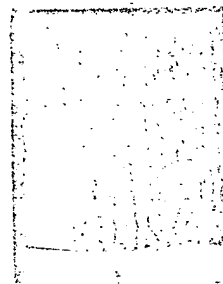

William J. CaseyPREPARED BY O/DCI - DISTRIBUTIONOrig - Addressee
